

Updating your library? We can help.

Planning an update to your space doesn't have to be a stressful process.

The skilled team at Opening the Book is ready to personally guide you through your refurbishing process, free of charge. Our team is available to help you plan your whole library or just a special section like a children's room or reading corner. We have developed fully-assembled, quick-shipping library furnishings guaranteed to save you installation time.

"I'm planning a refurb and I don't know where to start."

We can help...

We'll set up a kick off call about your specific collection, the goals for your library space and whom it will serve.

The Plan

Our trained Opening the Book designers will create a layout for your space and suggested Opening the Book product list. You'll have first hand contact with a designer to make sure your voice is heard.

The Approval

You will be presented with an exciting new 3D floorplan and furniture quote for your approval.

Manufactured & Delivered

Your custom-made order will be manufactured right here in the USA.

Expect delivery within 6-8 weeks of your plan and quote approval!
