help to plan your school
library or classroom
reading corner

Imagine your new space

The 2025 year kicks off a new and exciting time at Opening the Book. You'll find a brand new range of mobile bookcases this year for middle school and high school students as well as exciting new acrylic displays to make merchandising your collection easy. We are excited to continue to bring you creative and easy to install displays that will be sure to engage children and keep your books looking great!

Are you planning a remodel and are not sure where to start? We can help! Our trained Opening the Book designers are here to help you plan the perfect library space for your students and staff. We listen carefully to your needs and apply our research into student behavior to create a one-of-a-kind library plan that is guaranteed to delight and inspire young students to read independently.

We are based in Pennsylvania and are supported by over twenty years of successful library design in the UK and Europe... with all manufacturing right here in the USA.

What makes an inspiring school library?

A unique combination of invitation, functionality and versatility!

Smart product designs and layouts

Fun spaces to read, pops of color and stress-free access to new reading choices that make a trip to the library an exciting experience for students and educators.

Versatile furniture for changing spaces.

Flexible, mobile furniture pieces that can be easily reconfigured to create new layouts whenever you want.

No installation - 99% of our catalog products are shipped assembled... just position and play.

Book Birdhouses

Feature an 'author of the week' or 'book of the day' in your school library. Our neat wall mounted Birdhouses appeal to children of all ages.

The Large Birdhouse works well with picture books & non-fiction while the Small Birdhouse is perfect for fiction and chapter books.

Small

Dims 14³/₄"H x 9⁵/₁₆"W x 5⁷/₈"D

Code RC-BHS

Price \$279.00

Large

Dims 19¹/₂"H x 13¹/₄"W x 7"D

Code RC-BHL

Price \$293.00

Floating Shelf

Perfect for displaying a small number of books face-out, our Floating Shelves prove that the 'less is more' principle really works in elementary school libraries.

Position at children's eye level where they can see and touch the book covers more easily so that they are tempted to pick one up to read.

Includes French cleat for mounting.

Dims 12¹³/₁₆"H x 25¹/₈"W x 6¹/₂"D

Code RC-FLS

Price \$485.00

Curvy Corner Bookcase

Our Curvy Corner Bookcase has soft, curved shelves and fits neatly into your reading corner or school library.

For an even more striking display you can put two together to create a half circle display along a wall.

It is designed to fit picture books on the bottom shelf and standard fiction on the top three shelves.

Dims 48⁷/₁₆"H x 18¹/₂"W x 18¹/₂"D

Code RC-CCB

Price \$992.00

Tall Fiction Bookcase & Tall Non-fiction Bookcase

Taller versions of the Fiction and Picture Bookcase for children grades K-5, with all the same great features for maximizing book display in your library or reading corner.

Tall Fiction Bookcase

Dims 47⁵/₈"H x 23³/₈"W x 17¹³/₁₆"D

Shelves 3 Face-out shelves - 1 Spine-out shelf

Code RC-BC3

Price \$1,114.00

Storage Seats

At Opening the Book we frequently get asked for units that incorporate storage and seating that will help teachers to keep a clean and tidy classroom.

Our team of designers were tasked with coming up with a child-friendly bench seat with built-in storage. We have created a flexible range of units that can be used in lots of different ways and can be configured to work in any space whether against a wall or mid-floor. Add our 3-Tier Picturebook Unit and see how your students are tempted to pick up a book and sit down to read.

Storage Seat

Please state your fabric and storage box color preferences when ordering.

Dims 30 1/8" H x 31 7/8" W x 19" D
Code ST-ST51
Price \$1,083.00

for our full range of exciting Feature Units.

Reading Hideaway

If your school library needs a 'wow' factor, this is it. Great book display and a fun design which brings a smile to every face. Children of all ages love to curl up inside with a book.

It's practical too, strongly constructed with wipe-clean vinyl cushions.

Many school libraries have found that if you merchandize the unit with books which appeal to boys, the Hideaway will tempt them to explore and pick up books much more than standard shelves.

Dims 52⁷/₁₆" H x 33" W x 44" D

Code CF-RH1

Price \$7,287.00

Book Tree

A fun way to display children's fiction at just the right height to see, touch and take.

Enthusiastic readers will love it and even reluctant readers will be tempted to explore the 'branches' more than usual.

Requires wall mounting with French cleat which is included.

Dims 59" H x 25½" W x 7" D
Code CF-TREE
Price \$1,073.00

Reading Houses

School library furniture has never been so exciting!

The new Reading House is guaranteed to create a buzz around reading in your classroom or school library. It is great for book display as it includes a slatwall display board along with some useful face-out display shelves. The additional magnetic whiteboard provides lots of opportunities to create booklists, reading messages and author features.

Compact enough to fit in most classrooms, this lightweight but sturdy Reading House can quickly transform a corner into an exciting reading space.

Small Reading House

Dims 65" H x 52" W x 50¼" D
Shelves 4 Face-out display
Code RC-RH1
Price \$2,588.00

Library Designs Proven to Work

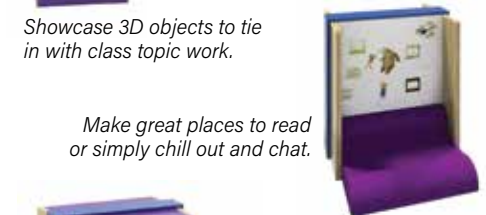

We'll start by asking you a few questions about your library space, and the audience that uses it.

Taking into consideration your wish list of features and functions, our trained team of library designers will then combine your needs with our research on library flows, to develop the library of your dreams.

Perfect combination of seating, book display and storage.

Showcase 3D objects to tie in with class topic work.

Make great places to read or simply chill out and chat.

Create cozy hiding spaces to curl up with a book.

Contact us to discuss how we can unlock the potential of your school library.

Service & Quality

Opening the Book North America is an independent, creative company bringing new ideas and products to libraries and schools across the USA.

Our fresh approach to library display furniture and library design is based on our understanding of how to engage adults and children in reading. Analyzing the psychological and physical factors which tempt people to pick up books has led us to design new ways to showcase library books and increase circulation and reader engagement.

Our friendly sales team in Williamsport, PA are on hand to help with any inquiries. We will always go the extra mile to deliver complete customer satisfaction.

Our designs have been developed through working closely with our customers in libraries and schools and we'd love to hear from you any time about how you are using our furniture and any new needs you would like us to meet. Find more information on our website where you can sign up for our newsletter to keep in touch - www.openingthebookus.com
